The Year — 1972. . .

It was a year that won't be forgotten easily. The excitement of beating South Adams at Homecoming, the misery of losing a close game at the Bluffton Sectional, the thrill of an all-night prom, and the shock of Mike Gibb's death have all made 1972 a year that will stay fresh in our minds for a long time to come. The pains and pleasures blend together in our memories to make all our yesterdays. . .

ABOVE-Mr. Hoffman sells concessions at a ball game. RIGHT-Carefully Terry Moser paints in art on his I. S. time.

In Memoriam of Michael R. Gibbs

The Road Not Taken

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;. . .

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I-
I took the one less traveled by,
And that has made all the difference.

The purpose of Special Education is to help students overcome learning disabilities. This year there were fourteen students ranging in age from seven to seventeen years enrolled in Special Education classes.

Subjects taught in this area are reading, arithmetic, spelling and language. Students are also assigned to other classes if it is felt they will benefit. Younger Children are often enrolled in music, art and physical education; while older students participate in home economics and typing as well as music, art and physical education.
